

## **Accountants for all types of business**

Otter Accountants is an established firm of Chartered Accountants based in Ottery St Mary serving the local community of East Devon.

We are determined to offer a high quality, value for money service with professional standards and up to date accounting and taxation advice.

Our relaxed and friendly office is the perfect environment to discuss your personal and business requirements. We offer an initial, free, no obligation consultation for everyone whether you are a private individual or a limited company, partnership or sole trader. For busy clients who find it difficult to make time in office hours an evening appointment can be arranged.
